Unless the context otherwise requires, words importing the singular number shall include the plural and vice versa, persons shall include bodies corporate and vice versa, the headings are for convenience only and shall not affect the construction hereof, reference herein to any agreement, license or other instrument shall be deemed to include references to such agreement, license or other instrument as varied or replaced from time to time, references herein to any enactment shall be deemed to include references to such enactment as reenacted, amended or extended, references to sections and Exhibits are references, respectively, to sections of and Exhibits to this Agreement and references to the Borrower, the Lessee, the Permitted Obligor or the Lender shall, where relevant, be deemed to be references to or to include, as appropriate, their respective successors or assigns.

Section 2. Security

2.1 In order to secure the payment by the Borrower to the Lender of the Secured Obligations and the due and punctual performance by the Borrower of all of the terms, covenants, undertakings, conditions and provisions of this Agreement and the Loan Agreement, the Borrower hereby irrevocably and unconditionally pledges and grants to the Lender a security interest in the form of a pledge (shichiken) in all Borrower's right, title and interest in and to the Collateral, any proceeds thereof or rights with respect thereto, present and future, and in the Dollar

Account and any moneys from time to time credited thereto in favor of the Borrower together with all right, title and interest of the Borrower, present and future, thereto and therein.

2.2 The security interest granted pursuant to this Agreement shall not be released or discharged by payment or satisfaction of any part of the Secured Obligations but shall be a continuing security interest and shall extend to cover any sum or sums of money or other obligations which shall for the time being constitute the balance of the Secured Obligations until all of the Secured Obligations are discharged in full. Upon the payment in full of the Secured Obligations, the security constituted by this Agreement shall be released and discharged and any amounts remaining in the Dollar Account shall be disposed of at the discretion of the Borrower.

2.3 On the Delivery Date the Borrower shall dispatch to the Lender by international courier an originally executed counterpart of each of the Acknowledgments in the forms attached hereto as Exhibits A and B.

Section 3. Covenants

3.1 The Borrower hereby covenants as of the date hereof and as of the Closing and agrees that it has not heretofore assigned or permitted any Lien to subsist over, and that throughout the Security Period it shall not hereafter assign or cause any Lien to subsist over, the Dollar Account or the Collateral, insofar as the Collateral relates to amounts payable in U.S. Dollars, save for the security interests hereby constituted.

3.2 The Borrower hereby covenants and agrees that throughout the Security Period that the Borrower shall (a) maintain the Collateral and the Dollar Account and (b) take all reasonable actions to ensure that (i) each U.S. Dollar amount paid by the Lessee pursuant to the Lease Agreement (to the extent required to be paid into the Dollar Account) or by the Permitted Obligor pursuant to a Confirmation (to the extent required to be paid into the Dollar Account), is paid into the Dollar Account, and (ii) all the proceeds of the sale of the Items of Equipment required in the Lease Agreement to be credited to the Dollar Account are credited to the Dollar Account.

3.3 The Borrower will promptly furnish to the Lender such information and reports concerning the Collateral as the Lender may from time to time reasonably require.

3.4 The Borrower agrees that it shall not consent to, or permit any amendment, termination, waiver, consent or other modification of the circumstances in which the collateral is payable or the amounts of the Collateral without the written consent of the Lender, and that upon the occurrence and continuance of a Bank Event of Default, the Lender may directly exercise all the power and authority of the Borrower to give or withhold consents, grant any waivers or approvals or make any determinations with respect to the Collateral under the Operative Documents or give any notice thereunder in its own interest (and with no obligation to the Borrower). Under no circumstances will the Borrower take any steps to enforce or exercise any of its rights or remedies under or in respect of any of the Collateral or take any actions with respect to the Collateral which would materially adversely affect the interest of the Lender. Further, promptly after giving or receiving any notice, document or other writing or communication respecting the Collateral, the Borrower shall furnish the Lender with a copy thereof. In addition, the Borrower hereby irrevocably agrees not to exercise and not to permit any of its Affiliates to exercise, and hereby waives any right which it may now or hereafter have to assert, in any set-off or counterclaim against or with respect to any of the Collateral. Notwithstanding the foregoing, the Borrower may request the prior written consent of the Lender to amendments, terminations, waivers, consents or other modifications of the Collateral by the Borrower or the prior written consent of the Lender to the enforcement or exercise by the Borrower of any of its rights or remedies under the Operative Documents in respect of any of the Collateral, which consent of the Lender shall not be unreasonably withheld.

Section 4. Payments. Upon the occurrence and during the continuance of a Bank Event of Default all cash, proceeds, checks, drafts, orders and other instruments for the payment of money received by the Borrower on account of any Collateral shall be delivered promptly in the form received (properly endorsed but without recourse for collection where required) to the Lender, and the Borrower agrees not to commingle any such collections or proceeds with its other funds or property and agrees to hold the same in trust for or on behalf of the Lender until delivered.

Section 5. Remedies; Application of Proceeds of Sale

5.1 Remedies. If a Bank Event of Default shall have occurred and be continuing, the Lender shall have and may exercise, with respect to the Collateral, all the rights and remedies of a secured party under any applicable law in Japan (regardless of whether or not the same is in effect in

the jurisdiction in which such exercise occurs); and in addition, the Lender may do any or all of the following: (a) instruct the Lessee or any other obligor with respect to all or any part of the Collateral to make payments thereunder directly to the Lender's account specified in such instruction or, to the fullest extent permitted by law upon reasonable notice to the Borrower, sell or transfer the Collateral or any interest therein at public or private sale, for cash or upon credit and for immediate or future delivery and for such price and on such terms as the Lender shall reasonably deem appropriate, and negotiate, endorse, assign, transfer and deliver to the purchaser or purchasers thereof (which may be the Lender) the Collateral so sold, each purchaser at any sale to hold the property sold absolutely free from any claim or right on the part of the Borrower; (b) retain the Collateral in satisfaction of the Secured Obligations by the giving of notice to such effect to the Borrower; or (c) upon reasonable notification to the Borrower, proceed by suit or suits to foreclose on the Collateral and sell or transfer the Collateral or any portion thereof pursuant to judgment or decree of a court or courts having jurisdiction. Notwithstanding anything herein to the contrary, in all events, recourse shall be limited to the Collateral as provided in Section 4.3 of the Loan Agreement.

5.2 Application of Proceeds. The proceeds of any sale or transfer or other application of the whole or any part of the Collateral, and any moneys collected in respect of the Collateral, shall be applied as follows:

First, to the payment of accrued and unpaid interest on the Loan;

Second, to the payment of principal of the Loan then due and unpaid; and

Third, to the payment in full of all other Secured Obligations.

Any surplus remaining after such applications shall be remitted to the Borrower or as a court of competent jurisdiction may otherwise direct.

Section 6. General Authority. The Borrower hereby constitutes and appoints the Lender, upon the occurrence and during the continuance of a Bank Event of Default, as its true and lawful attorney-in-fact, with full power of substitution, in the Lender's name or otherwise, for the purposes of carrying out the provisions of this Agreement and taking any action or executing or filing any instrument, or any of the foregoing, necessary to accomplish the purposes hereof, which appointment is irrevocable and coupled with an

interest. Without limiting the generality of the foregoing, the Lender shall have the right, upon the occurrence and during the continuance of a Bank Event of Default, in its own name or in the Borrower's name or otherwise from time to time to exercise any or all of the powers of the Borrower with respect to any of the Collateral; provided, however, that the Lender shall not have any obligation whatsoever to exercise any of such powers hereby conferred upon it or to make any demand or any inquiry as to the nature or sufficiency of any payment received by it, or to present or file any claim or notice or take any other action whatsoever with respect to the Collateral. No action taken by the Lender or omitted to be taken by it in good faith shall give rise to any defense, counterclaim or offset in favor of the Borrower or otherwise affect any of the Secured Obligations.

Section 7. Miscellaneous

7.1 No Waiver, Etc. No failure on the part of the Lender to exercise, and no delay in exercising, and no course of dealing with respect to, any right hereunder shall operate as a waiver thereof; nor shall any single or partial exercise of any right hereunder preclude any other or further exercise of the same or any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by law.

7.2 Documents, Records. The Borrower agrees to deliver to the Lender the passbook (if any) and any and all other documentary evidence or records in respect of the Dollar Account.

7.3 Security Interest. The security interest created by this Agreement shall be in addition to and without prejudice to any other securities or guarantees from time to time held by the Lender in respect of the Secured Obligations and this Agreement shall remain in full force and effect until payment and discharge in full of the Secured Obligations, notwithstanding the liquidation, bankruptcy, insolvency or reorganization of the Borrower or any other fact or contingency whatsoever.

7.7 Counterparts. This Agreement may be executed in any number of counterparts, and each such counterpart shall for all purposes be deemed to be an original, and all such counterparts together shall constitute one and the same instrument.

7.8 Books of the Lender. Subject to any evidence to the contrary and in the absence of manifest error, the books of the Lender shall be determinative of any amount owed to the Lender and of all matters relating to this Agreement.
